

PTA Newsletter

June 2009

Hello Parents,

As we enter the last few weeks of school, I would like to take this opportunity to thank Administration, staff, parents and students for their support of the PTA this year. We were able to offer many wonderful family nights. Behind the scenes are many parent volunteers and staff members who helped pull all of these activities together and spend countless hours offering their time to make our children's school experience the best it can be. We thank them and their families for so generously donating their valuable time and our thanks to all of you whose commitment goes above and beyond for the benefit of our children.

I would like to personally wish our retirees a wonderful journey as they open a new chapter in their lives. PTA thanks you for your continued support. Mrs. Borsa, Mrs. Bronstein, Mrs. Grue, Mrs. Hagedorn, Mrs. Sarris and Mrs. Wagner our hats are off to you.

I would also like to personally wish Kathy Koch, Jen McPhee and Jan Nohelty the best of luck in the future as they leave the elementary school PTA. Your support and endless hours of service to Pelham Elementary School and the children will not be forgotten. Thank you ladies!

In closing, rest assured PTA will be working hard throughout the summer to ensure we are ready for next year and your children will continue to receive the very best we have to offer.

Have a wonderful, safe and healthy summer.

Regards,
Mary Collins

The Pelham Library – Check it out!

Summer Reading Program

The Pelham Public Library will be holding a summer reading program for 2009 - "Summer Time and the Reading is Easy". This exciting program is based on all of the fun things that can be done as you are "reading and relaxing" in the garden, on a picnic, at the beach and down by the pond. There will be weekly story hours with stories, songs, movement activities, and games for toddlers, ages 1-3, preschoolers, ages 4-6, and older children ages 7 and up. We will also have weekly drawings for prizes from area businesses.

Some of the special events include a kick-off event on Thursday evening, June 25th at 6:30 featuring magician Norman Ng.

We will also have our third annual "Big Truck Night" on Tuesday evening, July 28th

and a finale event with singer, guitar player Jody Gourlay on Friday, August 7th at 11:00.

The Summer Reading Program is sponsored annually by CHILIS (Children's Librarians of New Hampshire), a division of the New Hampshire Library Association.

Stop by the library for a calendar of events or check our website, pelhamweb.com/library for further details.

The PES PTA sponsors the purchase of **Museum of Science** passes to be used by town families. Please contact the library at 635-7581 for museum pass availability and information. **Reservations can be made one week in advance.**
